**And if you are not satisfied, now, with the truth the following pictures are war crimes as defined by the UN, The Hague and the Geneva Convention.**

**Using images of your enemy dead or alive (violation)**

**What a sad day it is to see such a photo. 3 criminal Israeli soldiers stand by each other to take a photo of their kill. If you look closely at this photo, you will notice that the kill is not a deer or any other animal but for a human being!! This is how much respect these people have for human life.**

**They wonder why Palestinians are behaving the way they do.**

**Please forward around. The US media will never show such a photo.**

**We need to work together to get these realities exposed. Please help spreading this photo around to everyone on your list. To all other faiths, including Judaism, please help us stop this insanity by doing the same.**

First they arrest Moh'd Saleh,  
a Plastinian aged 23.

أولاً، قاموا باعتقال محمد صالح، فلسطيني  
عمره 23 ربيعاً

Then they pin Moh'd on the floor  
suspecting he had bombs  
attached to him.

طرحوه ارضاً، مشتبين في كونه يرتدي حزاماً  
من المتفجرات

They have him on the floor still,  
and they try to question a  
second Plastinian on the scene.  
They seem to have definitely  
overpowered him and have full  
control over the situation.

شبهوه، وسيملروا تماماً على الموقف، ثم بدأوا  
باستجواب فلسطيني آخر في المكان.

They still believe he may be armed,  
therefore strip him down to his  
underwear and find that in actual  
fact he is TOTALLY unarmed.  
So what would a democratic  
country such as Isreal, a county  
which claims to respect human  
digintiy and life do?

Take him to prison?

لا زالوا معتقدين انه مسلح، لذلك، قاموا بتعريته من ثيابه، ليجدوا انه غير مسلح اطلاقاً  
إذا، ماذا تتوقع منهم كيهود في دولة ديمقراطية تطالب باحترام حقوق الانسان وكرامته وحقه في الحياة؟ ان يآخذوه  
الى المعتقل؟؟؟

## الصورة تتكلم THE PICTURE SPEAKS FOR ITSELF

These IDF soldiers have faces... I can clearly see them... Can't you? Why are they not being prosecuted? Because it is systematic process that is driven by the government designed to force the people of Palestine into exile so Israel can claim all the land and resources..

This where my American tax dollars are going, do you know where your tax dollars are at? TAKE THE TIME TO FIND THE TRUTH. So many lives depend on it. I, like so many Americans, am Caucasian, non-Arab, and religious. I can no longer sit back with good conscience and do nothing while my government is supporting the types of terrorist actions that we have condemned Muslim Fundamentalist for. Call your Congressman and Senator, send an email to the White House and demand that our government negotiate FAIRLY with both sides and bring a fair and just solution to Palestine and Israel .

*How many ears must one person have  
before he can hear people cry?  
And how many deaths will it take till he knows  
that too many people have died?  
And how many years can some people exist  
before they are allowed to be free?  
And how many times can a man turn his head  
and pretend that he just doesn't see?  
The answer, my friend, is blowing in the wind  
The answer is blowing in the wind.*
